

SWEET SPINE - Darkness

tom:
 You tame the darkness
 You beg the goddess
 Lie on your side, and this is obvious
 You tame the darkness
 You tame the darkness
 You tame the darkness
 You beg the goddess
 Lie on your side, this is obvious
 You tame the darkness
 I can hardly breathe
 I can hardly sleep without you
 Talking in my dreams
 Just begging you to stay
 Stain your hands with promises, I watch you fall away
 Talking in my dreams, oh I'm begging you to stay
