verses : **D** **F** **G?** **D**

chorus : **D'** **F'** **C** **Bb**

electric guitar riff at the end:

At long last?
My dream of peace
There's room to think
I sleep with hope
God is in his place
?so pay attention

At long last?
The content has changed
There's form to function
I know what to do
I dream of peace?
