## Switchfoot - Adding To The Noise

Tom: D Intro: A D D A A B x4 Verse 1: D What's it gonna take G to slow us down D to let the silence spin us around? D What's it gonna take G to drop this town? D We've been spinning at the speed of sound. D Stepping out of those convenience stores D G what could we want but more more? D From the third world G to the corporate core D G ADDA we are a symphony of modern humanity,Yeah Chorus: В ADDA If we're adding to the noise

- A D D A turn off this song A B A D D A
- If we're adding to the noise

## Acordes

В turn off your stereo, radio, video Verse 2: I dont know D what they're gonna think of next D G genetic engineers of the most high tech D A couple new ways G to fall into debt D I'm a nervous wreck but I'll bet G that that T.V. set G D tells us what we've wanted to hear D But none of these sound bites G are coming in clear D G From the third world to the corporate ear D G we are the symphony of modern humanity. Bridge: D GΟ GD G D G D GΑ
