

# Switchfoot - Amy's Song

Tom: **D**

**D** **G**  
Amy's gone  
**D** **G**  
And time rolls on  
**D** **G** (Paradinha)  
How far? how fast? how long?

**D** **G** - **A**  
The last time we saw Amy  
**D** **G** - **A**  
She was headed for the shore  
**D** **G** **D**  
Fighting off the volatile gray skies

**D** **G**  
She said now begins forever  
**D** **G**  
And that no one knows their time  
**D** **G**  
We bid farewell not knowing  
**D** **G**  
That might be our last good-bye

**D** **B**  
Amy was a fighter  
**G**  
She cut like Casius Clay  
**Bb**  
She burned like a fire  
**A** **D**  
Despite these rains

**B**  
Where time was a question  
**G**  
She only knew one song:  
**Bb** **A**  
She's singing, "how far, how fast, how  
**D**  
long?"  
**D** **G**  
Salvation is a fire  
**D** **G**  
In the midnight of the soul  
**D** **G** **D**  
It lights up like a can of gasoline

**D** **G**  
Yeah, she's a freedom fighter  
**D** **G**  
She's a stand up kind of girl  
**D** **G**  
She's out to start a fire  
**D** **G**  
In a bar code plastic world

**D** **B**  
Amy was a fighter

**G**  
She cut like Casius Clay  
**Bb**  
She burned like a fire  
**A** **D**  
Despite these rains

**B**  
Where time was a question  
**G**  
She only knew one song:  
**Bb** **A**  
She's singing, "how far, how fast, how  
**D**  
long?"

**D** **G**  
When everything stops moving  
**D** **G**  
And I stop to catch my breath  
**D** **G**  
And ride my train of thought  
**D** **G**  
All the way round

**D** **G**  
My thoughts return to Amy  
**D** **G**  
And the fire she's begun  
**D** **G**  
She came when we were freezing  
**D** **G**  
And left us burning up

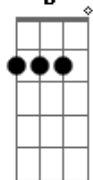

**D** **B**  
Amy was a fighter  
**G**  
She cut like Casius Clay  
**Bb**  
She burned like a fire  
**A** **D**  
Despite these rains

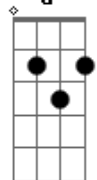

**B**  
Where time was a question  
**G**  
She only knew one song:  
**Bb** **A**  
She's singing, "how far, how fast, how  
**D**  
long?"  
**G** **D** **G** **D** **G** **D** (Dedilhando)  
how long, how long, how long

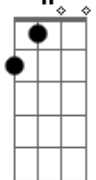

(Paradinha)  
**D** **G** **A** X3

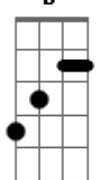

**D** **G** **A**  
The last time we sow Amy X5 (Fading)
