I've got my back against the wall

The chains that hold me back inside

Free, come set me free
D
Down on my knees
A **E** **Bm**
I still believe you can save me from me
D
Come set me free, come set me free
Inside this shell, there's a prison cell

Instrumental: **Gbm D Bm**

I try to live the light of day

Why would I do what I hate

I only hurt the ones I love

Free, come set me free
D

Down on my knees
A **E** **Bm**
I still believe you can save me from me

Is not in me at all

I had a dream that my chains were broken
Broken, broken, broken open
