

# Switchfoot - I Won't Let You Go

Tom: E

Intro: E B E B

When it feels like surgery  
 And it burns like third degree  
 And you wonder what is it worth?  
 When your insides breaking in  
 And you feel that ache again  
 And you wonder  
 What's giving birth?  
 If you could let the pain of the past go  
 Of your soul  
 None of this is in your control  
 If you could only let your guard down  
 You could learn to trust me somehow  
 I swear, that I won't let you go  
 If you could only let go your doubts  
 If you could just believe in me now  
 I swear, that I won't let you go  
 I won't let you go  
 ( E B E B )  
 When your fear is currency  
 And you feel that urgency  
 You want peace but there's war in your head  
 Maybe that's where life is born  
 When our façades are torn  
 Pain gives birth to the promise ahead  
 If you could let the pain of the past go

Of your soul  
 None of this is in your control  
 If you could only let your guard down  
 You could learn to trust me somehow  
 I swear, that I won't let you go  
 If you could only let go your doubts  
 If you could just believe in me now  
 I swear, that I won't let you go  
 I won't let you go  
 I'll always be by your side Yeah  
 If you could only let your guard down  
 You could learn to trust me somehow  
 I swear, that I won't let you go  
 If you could only let go your doubts  
 If you could just believe in me now  
 I swear, that I won't let you go  
 I won't let you go  
 (I won't let you go)  
 I won't let you go  
 (I won't let you go)  
 There ain't no darkness strong enough  
 That could tear you out from my heart  
 There ain't no strength that's strong enough  
 That could tear this love apart  
 Never gonna let you go  
 Never gonna let you go  
 No I won't let you go
