

Switchfoot - Stars

Tom: **D**

D
 Maybe I've been the problem
G **D**
 Maybe I'm the one to blame
C **G**
 But even when I turn it off and blame myself
A7 **A7**
 The outcome feels the same

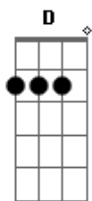

D
 I've been thinkin' maybe I've been partly cloudy
G **D**
 Maybe I'm the chance of rain
C **G**
 And maybe I'm overcast and maybe
A7 **A7**
 All my luck's washed down the drain

C **G** **A** **Bm7**
 I've been thinkin' 'bout everyone, everyone you look so lonely
 (REFRÃO)
D
 But when I look at the stars,
G
 When I look at the stars,
C
 When I look at the stars
G **D**
 I see someone else

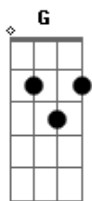

G **Em** **D** **G**
 When I look at the stars, the stars
D
 I feel like myself
D
 Stars looking at our planet,
G **D**
 Watching entropy and pain
C
 And maybe startin' to wonder
G **A7** **A7**
 How the chaos in our lives could pass as sane
D
 I've been thinkin' 'bout the meaning of resistance
G **D**
 Of a world beyond my own
C **G**
 And suddenly the infinite and penitent
A7 **A7**
 Began to look like home

C **G** **A** **Bm7**
 I've been thinkin' 'bout everyone, everyone you look so empty
 REFRÃO:
G **A** **Bm7** **G**
 Everyone, everyone you feel so lonely
G **A** **Bm7** **C**
 Everyone, everyone you feel so empty
