

Switchfoot - Yesterdays

Tom: D

(intro 2x) Bm G D G

(verso 1)

Em Flowers cut and brought inside
Bm Black cars in a single line
Em Your family in suits and ties

And you're free

Em The ache I feel inside
Bm Is where the life has left your eyes
Em I'm alone for our last goodbye

But you're free

(refrão)

Gbm I remember you like yesterday, yesterday
Gbm I still can't believe you're gone, oh...
Gbm I remember you like yesterday, yesterday
Gbm And until I'm with you, I'll carry on

(interlúdio 2x) Bm G D G

(verso 2)

Em Adrift on your ocean floor
Bm I feel weightless, numb, and sore

Em A part of you in me is torn

And you're free

Em I woke from a dream last night

I dreamt that you were by my side

Em Reminding me I still had life

In me

(refrão)

Gbm I remember you like yesterday, yesterday
Gbm I still can't believe you're gone, oh...
Gbm I remember you like yesterday, yesterday
Gbm And until I'm with you, I'll carry on
E I'll carry on
Gbm I'll carry on

Gbm Every lament is a love song

A Yesterday, yesterday

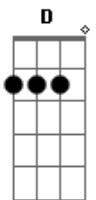

Gbm I still can't believe you're gone

Gbm Every lament is a love song

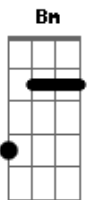

A Yesterday, yesterday

So long my friend, so long
