**D D**  
and I wondered for those I love still  
**G A**  
I cried in my mind where I stand behind

the beauty of love's in her eyes...

Riff

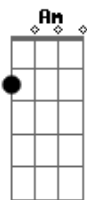

She was long gone, long, long gone  
she was gone, gone, the bigger they come  
the larger her hand 'till no one understands  
why for so long she'd been gone.

**Am** **Am**  
And I borrowed the page from a leopard's cage  
**D D**  
and I prowled in the evening sun's glaze
