Syd Matters - I Might Float

Tom: Eb

```
 (com acordes na forma de C )
Capostraste na 3ª casa
 Am
There is something in the weather coming

 E        G                   C              F
 C         E
It's the spring time floating on, upon the city I won't blow
it but (won't blow it but)
Am                                  E
 I will leave this town by the weekend if you
G                         C
 Buy me a ticket out to save my money for
      F                           C    E
the dark days (..money for the dark)
Am                         E         G
 I will travel through the seas until the summer voices of
     C
the fire noises of
      F                      C     E
the burning witches call me home
Am                               E        G
 And I will find the strength to give up all the things I'm
made up of
     C
 the things I'm made up of
      F                        C      E
```

```
 the leaves are tied up on my arms

( Am E G C F C E )

Am                                         E      G
 And I miss that comfort in being trusted by the king and the
princess
      G
the king and the princess
the king and the princess
the king and the princess
the lights and the flashes

            Am                              G
I might float for a second through the shadows of my reason
            Am           G
For my own, my own on the rainbow above the ocean
                  Am                        G
I might float for a second through the shadows of my reason
            Am              G
For my own, my own children on the rainbow above the ocean
Am
 (There is something in the weather coming.
           G
It's the spring time floating on upon the city..)
            Am                              G
I might float for a second through the shadows of my reason
            Am              G
For my own, my own children on the rainbow above the ocean
