

SYML - Howling (ft. Lucius)

tom: Db

Intro: Bbm Ab
 Woke up on your skin
 I've never felt like this before
 Woke up trembling
 I feel electric underwater

Lay me down low
 Lay me down low
 I'm coming down slow
 So lay me down low

[Segunda Parte]

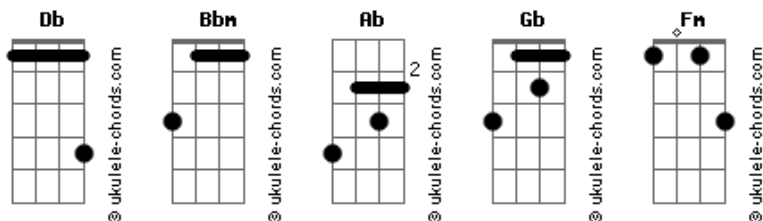

We made a fire in the purest way
 When you explode it's my holiday
 I took too much it was my mistake
 But I can be blamed
 I'm insatiable

[Refrão]

Keep me howling baby
 I'll be your beast I'll be your dog
 Keep me howling baby
 And I'll keep begging you for you more

Lay me down low
 Lay me down low
 I'm coming down slow
 So lay me down low

Acordes

[Pré-Refrão]

Come lay me down in a shallow grave
 Unholy dove don't let me fly away
 Tie both my hands, will you wash my face?
 I want to stay
 Insatiable
 Insatiable

[Ponte]

I lay me down at the feet of your beauty
 Power my spirit awaken within me
 My blood and my body will sing out your praises
 Save me, save me, save me now

I lay me down at the feet of your beauty
 Power my spirit awaken within me
 My blood and my body will sing out your praises
 Save me, save me, save me now

(Bbm Ab)

I lay me down at the feet of your beauty
 Power my spirit awaken within me
 My blood and my body will sing out your praises
 Save me, save me, save me now

[Final]

I was made clean when you took my shame
 I was made pure in that holy place
 You set me free on my final day
 But I will remain
 Insatiable
