

## System Of a Down - Atwa

```
Tom: A
                                                                     I don't feel it anymore,
                                                                     You don't care about how I feel,
                                                                     I don't feel it anymore (Riff II,2Parte)
Intro:
                                                                      (Riff 3)
Riff 1:
                                                                     I don't see, anymore,
                                                                     I don't hear, anymore,
I don't speak anymore,
(Riff 1)
                                                                     I don't feel.
Hey you, see me, pictures crazy,
All the world I've seen before me passing by,
                                                                      (Riff 3)
I've got, nothing, to gain, to lose,
All the world I've seen before me passing by,
                                                                     Solo:
You don't care about how I feel,
I don't feel it anymore,
You don't care about how I feel,
I don't feel it anymore
You don't care about how I feel,
I don't feel it anymore,
                                                                      (Solo) (Parte 1 e 3)
You don't care about how I feel,
                                                                     na nana na na na na na na nana...
I don't feel it anymore.
                                                                     na nana na na nana na na nana...
(Riff 2a)
                                                                     Hey you, see me, pictures crazy,
All the world I've seen before me passing by,
I've got, nothing, to gain, to lose,
 P.M.....
(Riff 2b)
                                                                     All the world I've seen before me passing by,
 P.M.......
                                                                      (Riff 2a)
                                                                     You don't care about how I feel,
na nana na na nana na na nana...
                                                                     I don't feel it anymore,
na nana na na na na na nana...
                                                                     You don't care about how I feel,
                                                                     I don't feel it anymore
                                                                     You don't care about how I feel,
(Riff 1)
                                                                     I don't feel it anymore,
Hey you, are me, not so pretty,
All the world I've seen before me passing by,
                                                                     You don't care about how I feel,
Silent my voice, I've got no choice
                                                                     I don't feel it anymore
All the world I've seen before me passing by,
                                                                      (Riff 2b)
(Riff 2a)
You don't care about how I feel,
                                                                      (Riff 3)
I don't feel it anymore,
                                                                     I don't sleep, anymore,
You don't care about how I feel,
                                                                     I don't eat, anymore,
I don't feel it anymore
                                                                     I don't live anymore,
You don't care about how I feel,
```
