

System Of a Down - Boom

Tom: **D**

Riff 1: (normal)

Unnecessary death,
Matador corporations,
Puppeting your frustrations,
With the blinded flag,
Manufacturing consent,

Riff 2: (rápido)

(entra baixo)

I've been walking through your streets,
Where all your money's earning,
Where all your building's crying
And clueless neckties working,
Revolving fake lawn houses,
Housing all your fears,
Desensitized by TV,

Is the name of the game,
The bottom line is money,
Nobody gives a fuck.
4000 hungry children leave us per hour,
From starvation,
While billions are spent on bombs,
Creating death showers.

Overbearing advertising,
God of consumerism,
And all your crooked pictures
Looking good, mirrorism,
Filtering information,
For the public eye,
Designed for profiteering,
Your neighbor, what a guy.

chorus:
BOOM, BOOM, BOOM, BOOM,
Every time you drop the bomb,
You kill the god your child has born,

BOOM, BOOM, BOOM, BOOM

se preferirem tocar sem o 4 dedo (dedinho) fica a mesma coisa, opção de vocês...
então ao invés de ficar assim:

chorus:
BOOM, BOOM, BOOM, BOOM,
Every time you drop the bomb,
You kill the god your child has born,

Chorus:
BOOM, BOOM, BOOM, BOOM,
Every time you drop the bomb,
You kill the god your child has born,

BOOM, BOOM, BOOM, BOOM

BOOM, BOOM, BOOM, BOOM

Riff 2: (rápido)

BOOM [x8]

Modern globalization,
Coupled with condemnations,

Every time you drop the bomb.
