

System Of a Down - Goodbye Blue Sky

Tom: **D** we are here to nurture our planet

Intro

10.000 years ago in mesopotamia

(good bye, blue sky ,good bye, blue sky good bye)
we are here

(good bye, blue sky ,good bye, blue sky good bye)

to help guard this fuck place not destroy it for god sakes

a new type of thinking was developed
one that involved...

(good bye, blue sky ,good bye, blue sky good bye)

i'm sick and tired of an equal globalism

(good bye, blue sky ,good bye, blue sky good bye)

totalitarian agriculture
and now...

i'm sick and tired of facism

(good bye, blue sky ,good bye, blue sky good bye)

good bye blue sky
good bye blue sky good bye

i'm sick and tired of these psycho people!!!

(good bye, blue sky)

we fall in sleep as people as animals on this planet

NO WAR!!!
