Hey mr. jack,  
Is that the mouthwash in your eyes?  
Hey mr. jack,  
Is that the cause of your surprise?  
Hey where you at?  
On the side of the freeway in the car?

Interlúdio:

7 am, morning  
Came to take us away  
Little men, big guns pointed at our heads  
7 am, morning  
Came to take us away  
Little men, big guns pointed at our heads  
And oh, at our heads

Mesmas notas anteriores só que mais rápido  
(essas notas a seguir é uma parada que ele faz ao vivo, fica na 4 vez que você faz essa sequência,  
você pode fazer se quiser, ele segue a batida da bateria, faz tudo abafado:)

And oh, at our heads...

Essa parte tem que ficar muito atento a palhetada...  
é meio difícil de explicar por aqui...  
mas acho que vocês conseguem

Your prospect of living gone  
You ran the light at dawn,  
Protectors on your back  
Lights are on their track  
You must now face authority,  
You're nothing like me  
You must now face authority  
You're nothing like me

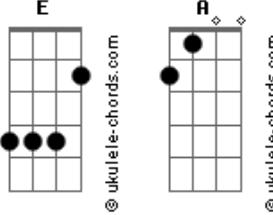

Partes finais:(parecido com o começo só que um pouco mais rápido!)

Put your hands up, get out of the car  
Put your hands up, get out of the car  
Put your hands up, get out of the car...

Fuck you pig!  
Fuck you pig!  
Fuck you pig!  
Fuck you pig!

Put your hands up, get out of the car!

## Acordes

The diagram shows two ukulele chord diagrams. The left one is for the chord 'E' and the right one is for the chord 'A'. Both diagrams show the four strings of the ukulele with dots indicating where to press down. The 'E' chord has dots on the 1st, 2nd, and 3rd strings at the 1st fret. The 'A' chord has dots on the 1st and 2nd strings at the 1st fret, and an open string (no dot) on the 3rd string.
