Capostrate na 4ª casa

[Primeira Parte]

C
Good day in my mind, safe to take a step out
Em7
Get some air now, let your edge out
Too soon, I spoke
Am7
You be heavy in my mind, can you get the heck out?
G
I need rest now, got me bummed out
C
You so, you so, you, baby, baby, babe
Em7
I've been on my empty mind shit
[Pré-Refrão]

Am7
I try to keep from losin' the rest of me
G
I worry that I wasted the best of me on you, baby
C
You don't care
Em7
Said, "Not tryna be a nuisance, it's just urgent"
Tryna make sense of loose change
Am7
Got me a war in my mind
G
Gotta let go of weight, can't keep what's holdin' me
C
Choose to watch while the world break up in front of me
[Refrão]

Em7
All the while, I'll await my armored fate with a smile
I still wanna try, still believe in
Am7
Good days, good days, always, always inside
Good day living in my mind
[Segunda Parte]

C
Tell me I'm not my fears, my limitations
I'll disappear if you let me

Acordes

Am7
Feelin' like, yeah, feelin' like Jericho
G
Feelin' like Job when he lost his shit
Gotta hold my own, my cross to bear alone, I
C
Ooh, played and dipped, way to kill the mood
Am7
Know you like that shit, can't groove it, baby
G
Heavy on my empty mind shit
[Pré-Refrão]

Good days, good days, always, sunny inside
Good day living in my mind
[Terceira Parte]

C
Gotta get right, tryna free my mind before the end of the world
Am7
I don't miss no ex, I don't miss no text I choose not to respond
C
I don't regret, just pretend shit never happened
Em
Half of us layin' waste to our youth, it's in the present
C
Half of us chasin' fountains of youth and it's in the present now
