

SZA - Special

tom:

Intro: C D F C

[Primeira Parte]

I wish I was that girl from that

Gucci store

She never wore any makeup and she

Owens couture

I got pimples where my beauty marks

Should be

I got dry skin on my elbows and

Knees

I never liked her, wanted to be like

Her

Hate how you look at her 'cause you

Never saw me

Like I was an art piece, like I was

An ordinary girl

[Refrão]

I wish I was special

I gave all my special

Away to a loser

Now I'm just a loser

I used to be special

But you made me hate me

Regret that I changed me

I hate that you made me

Just like you

Just like you

Just like you

[Segunda Parte]

Acordes

I wanted to be thick, now I wanna be

Thin

Heard Pilates is in, bust your

Windows out

You gon' hear my mouth, you could

Kick me out

You say I'm too wild, you gon' hate

Me now

Boy, you got me fucked up, now I'm

Gettin' fucked up

Thinkin' 'bout us fucking, why you'd

Have to fuck her?

I don't wanna see you, why'd you

Have to treat me

Like I was an ordinary girl?

[Refrão]

I wish I was special

I gave all my special

Away to a loser

Now I'm just a loser

I used to be special

But you made me hate me

Regret that I changed me

I hate that you made me

Just like you

Just like you

[Final]

(Just like you)

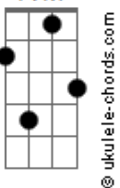

(Just like you)

(Just like you)

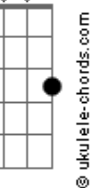

(Just like you)

(Just like you)
