And you won?t have to change a single thing

Have some faith in me (have some faith in me)

Why can?t we just be unafraid of living happily

I need more time to figure your mind out
  Gm    F    Eb                        Gm
'Cause my heart?s been thrown onto the ground
Gm   F    Eb               Gm

    Gm    F    Eb                        Cm
And learn to love and value what we found

Is there a way to escape this love
              F           Cm
I?m lacking strength to pull us up

I?m sorry for thinking I could help
