

# Tabatha! - Stay

tom:

<sup>C</sup>

Saw you for the first time standing by the sea <sup>F</sup>

Reaching for the stars and for something you can't see <sup>C</sup>

Gave up every second just to look at you <sup>F</sup>

'Cause I was seeking something brand new and <sup>G</sup>

I wanted you <sup>C</sup>

Never thought I'd be so in love with your smile <sup>F</sup>

Everything enchants me when you are around <sup>C</sup>

You give me reasons both to stay and to move on <sup>F</sup>

But now I'm searching for the right one <sup>G</sup>

You say we're never getting back <sup>C</sup>

The feelings that we used to have <sup>F</sup>

But baby you know me so

[Refrão]

<sup>C</sup> Kiss me like you mean it make it right and stay <sup>F</sup>

(Stay a little while with me tonight)

<sup>C</sup> Baby don't conceal it let it shine and take <sup>F</sup>

(Take your time to make me feel alive)

<sup>C</sup> I know I'm not that perfect and I'm a mess <sup>C</sup>

Inside, but I'm all you've ever needed <sup>F</sup>

(Say you won't let go of me tonight)

<sup>C</sup> Leave all your lonely feelings, I'll give you happiness <sup>F</sup>

We'll think about the future

<sup>G</sup> And just leave the bad things in the past <sup>C</sup>

[Segunda Parte]

<sup>C</sup> Am I going blind or just forgot to see <sup>F</sup>

Everything around me 'cause you're here with me?

I'm losing all my senses got to let you go <sup>F</sup>

'Cause now I know you're not the one for me <sup>G</sup>

But I still want you to

[Refrão]

<sup>C</sup> Kiss me like you mean it make it right and stay <sup>F</sup>

(Stay a little while with me tonight)

<sup>C</sup> Baby don't conceal it let it shine and take <sup>F</sup>

(Take your time to make me feel alive)

<sup>C</sup> I know I'm not that perfect and I'm a mess <sup>C</sup>

Inside, but I'm all you've ever needed <sup>F</sup>

(Say you won't let go of me tonight)

<sup>C</sup> Leave all your lonely feelings, I'll give you happiness <sup>F</sup>

We'll think about the future

<sup>G</sup> And just leave the bad things in the past <sup>C</sup>

( <sup>C</sup> <sup>G</sup> <sup>F</sup> )

( <sup>C</sup> <sup>G</sup> <sup>F</sup> )

[Terceira Parte]

<sup>C</sup> Maybe someday you will see <sup>F</sup>

That I'm the one for you <sup>G</sup>

I'm the one you need <sup>F</sup>

<sup>C</sup> <sup>G</sup> <sup>F</sup> Maybe someday you will come to me and say <sup>C</sup> <sup>G</sup> <sup>F</sup>

<sup>C</sup> I know you're not that perfect <sup>C</sup>

And you're a mess inside <sup>F</sup>

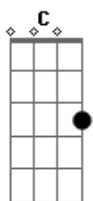

You're all I've ever needed and I won't let go of you tonight <sup>G</sup> <sup>F</sup> <sup>G</sup>

<sup>C</sup> I'll leave my lonely feelings I'll give you happiness <sup>C</sup> <sup>F</sup>

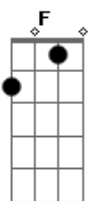

We'll think about the future and <sup>G</sup>

<sup>F</sup> Just leave the bad things in the past <sup>C</sup>
