You should know what you're fighting for
    E          Dbm7       D        D
Can't promise you oh that perfect life
A              Gbm7         D          D
To get this far I've seen darker times
      E          Dbm7        D         D
Never looking up, running from the light
          E          Dbm7      D      D
Always out of reach, ignoring every sign
```

```
Coro:

I have so many, so many flaws
      Bm7             Gbm7          D     E
If you take me, if you take me, they're yours
      Gbm7       D        A          D
And if you see tomorrow I'll give you it all
Bm7      D           Gbm7

And you deserve more than any truth
A              Gbm7         D          D
The dirt and soil it's still beneath my nails
