

# Take That - Julie

Tom: D  
Intro: - D , Bm , G , A.

VERSE -  
D Bm  
Julie, what's your problem?

G A  
Won't you tell me, what's going on?

G Edim  
Cause there's a dark cloud, hanging over you.

A  
You've been down, down, down too long.

CHORUS -  
G D A G D  
A  
You used to sing sha lalalalala I want you, sing, sha lalalalala I do.

G D Bm A  
There's a band outside, and they're playing now, for you, for you.

VERSE -  
D Bm  
Julie, come to your window.

G A  
Don't let your problems, spoil the view.

G Edim  
It's not a good thing, to cry today.

A  
So come on change change change, come through the door.

CHORUS -  
G D A G  
A  
You used to sing sha lalalalala I want you, sing, sha lalalalala I do.

G D Bm A  
There's a band outside and they're playing now for you.

G D A G D  
A  
You used to sing sha lalalalala I want you, sing sha lalalalala I do.

G D Bm A  
There's a band outside and they're playing now for you, for you.

D Bm  
Why why why do you cry cry cry?

G A  
You should know by now that the sun comes up for you.

G Edim  
Why why why do you cry cry cry?

D A  
You should know now that the sun comes up for you, that the sun comes up for you.

G D A G D  
A  
You used to sing sha lalalalala I want you, sing, sha lalalalala I do.

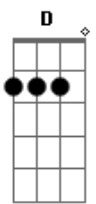

G D Bm A  
There's a band outside and they're playing now, for you, for you.
