

Take That - Shine

Tom: G

You, you're such a big star to me

You're everything I wanna be

But you're stuck in a hole and I want you to get out

I don't know what there is to see

But I know it's time for you to leave

We're all just pushing a- long

Trying to figure it out, out, out

All your anticipation pulls you down

When you can have it all

You can have it all, all, all

Refrão:

So come on, come on, get it on

Don't know what you're waiting for

Your time is coming don't be late, hey hey

So come on, see the light, on your face

Let it shine, just let it sh- ine

Let it shine

Verso 2:

Stop being so hard on yourself

It's not good for your health

I know that you can change

So clear your head and come round

You only have to open your eyes

You might just get a big surprise

And it may feel good and you might want to smile, smile, smile, oh

Don't let your demons pull you down

'Cause you can have it all

You can have it all, all ,all

Refrão:

So come on, come on, get it on

Don't know what you're waiting for

Your time is coming don't be late, hey hey

So come on, see the light, on your face

Let it shine, just let it sh- ine

Let it shine

Ponte:

Hey, let me know you

You're all that matters to me

Hey, let me show you

You're all that matters to me

Refrão:

So come on, come on, get it on

Don't know what you're waiting for

Your time is coming don't be late, hey hey

So come on, see the light, on your face

Let it shine, just let it sh- ine

Let it shine

Outro:

Hey, let me know you

You're all that matters to me

Hey, let me show you

You're all that matters to me

Hey, let me know you

You're all that matters to me

So come on, she the light, on your face

Let it shine just let it (shine all your light over me)
