

# Talking Heads - Don't Worry About The Government

Tom: C

I see the clouds that move across the sky  
 I see the wind that moves the clouds away  
 It moves the clouds over by the building  
 I pick the building that I want to live in  
 I smell the pine tress and the beeches in the woods  
 I see the pine cones that fall by the highway  
 That's the highway that goes to the building  
 I pick the building that I want to live in

>>>> Início do Refrão

It's over there, it's over there  
 My building has every convenience  
 It's gonna make life easy for me

It's gonna be easy to get things done  
 I will relax along with my loved ones  
 Loved ones, loved ones, visit the building  
 Take the highway, park and come up and see me  
 I'll be working, working, but if you come visit  
 I'll put down what I'm doing, my friends are important  
 Don't ya worry 'bout me, I wouldn't worry about me  
 Don't ya worry 'bout me, I wouldn't worry about me

>>>> Fim do Refrão

I see the states across this big nation  
 I see the laws made in Washington, D.C.  
 I think of the ones I consider my favorites  
 I think of the people that are working for me  
 Some civil servants are just like my loved ones  
 They work so hard and they try to be strong  
 I'm a lucky guy to live in my building  
 They all need buildings to help them along
