Intro: Guitarra: **Am G**
A banda toda: **Am G** (3x)

Verso:

Am Last time she jumped out the window, well, she only turned
and smiled
Am You might think she would say something, but you'd have to

wait a while

Refrão:

Am
Well the lady don't mind

No, no, no, the lady don't mind

Am
She just turns her head and disappears,
G
I kinda like that style
