        Fm                                                  Ab
Db  Ab
Misery fell on the town when they all lost their looks
Fm
Ab  Db  Ab
They spent all those years with their jobs and their scholarly
books
    Bbm         Ab               Gb                 F
Bbm      Eb
With no one to share all their thoughts and their worldly to
be?s, oh noo
     Fm
Ab  Db  Ab
They got down and prayed a little more for a life that was
free

[Verse 2]

Fm                                                  Ab  Db  Ab
Wanting a change they assessed how reform comes around
   Fm                                                       Ab
Db  Ab
A wise man suggested they work in their smiles, not their
frowns
    Bbm       Ab        Gb              F          Bbm     Eb
And all of a sudden it sounds like the town was to be, oh yes
   Fm                                                  Ab
A happier place where they live out their personal dreams

            Db  Bb                 Eb
La la la la la, la la la la la la la
Ab                Db  Bb                 Eb
La la la la la la la, la la la la la la la

[Chorus]

E     Eb
Why  oh why this
 Ab           Db             Ab        Db
Town without love, too much faith in above
E         Eb
   Can you feel the
 Ab             Db           Ab            Db
Force that it brings, not to worry ?bout things
          Fm          Bb         Fm            Bb
Just the stars in the sky, all enjoying their time
        E     Eb       Fm
With a hope forrrrr   peace

First thing they do is to substitute pleasure for pain
Fm                                                          Ab  Db
Ab
Helping themselves figure out there?s so much they can gain
    Bbm           Ab            Gb        F         Bbm
Eb
The bad guys surrender their chemistry books at the fair, oh
well
      Fm                                                Ab
They frolic and take in the love that persists everywhere

            Db  Bb                 Eb
La la la la la, la la la la la la la
Ab                Db  Bb                 Eb
La la la la la la la, la la la la la la la

[Chorus]

E     Eb
Why  oh why this
 Ab           Db             Ab        Db
Town without love, too much faith in above
E         Eb
   Can you feel the
 Ab             Db           Ab            Db
Force that it brings, not to worry ?bout things

E     Eb
Why  oh why this
 Ab           Db             Ab        Db
Town without love, too much faith in above
         E         Eb
 Can you feel the
 Ab             Db           Ab            Db
Force that it brings, not to worry ?bout things
           B           E            B            E
Just the stars in the sky, all enjoying their time
 Ab             Db           Ab            Db
All the people that kiss, all the children that wish
           B            E            D             G
All the fresh living flowers that spend all their hours
   Eb           Ab            D         G
Outside in the rain, just so happy you came
         Db           Gb          C         F
From so far for so long, with a welcoming song
          E         Eb
Just to say, to saaaay
