 Out to user "behindmyglasses" again, with a little bit of editing)

That sums up what is being plucked, now I'll move onto the rest of the song. But please
 During the bridge from verse to chorus, there is a key change that I've yet to figure
 Completely

Verse 1

I have little thing
 It's probably just a fling
 There's two girls I like a lot
 I think they're really hot
 I'm not sure if they know
 How my love began to grow
 It took a lot of time
 Right now it's solely mine

Verse 2

(Spoken) To-day!
 I drew a mural of the things I'd like to love
 And where my heart subsides
 Is with two girls with great eyes

Bridge

(Spoken)
 A D G C
 If they just give me a chance

A D
 I'd show them what they want
 G C
 And teach them what they got
 A D G
 And I'd tickle each and every one of their fancies

C
 And I'd take the key to my heart
 A
 And open it and let the love shine through

Chorus

A D G C
 Mary Kate and Ashley I hope you understand
 A D G C
 That I love you a lot and I wanna be your man
 A D
 And I think
 G C A D
 That it'd be totally cool if I hung around your apartments
 G C
 And enrolled in your school

Verse 3

A D

Mary Kate!
 I saw you on TV
 You dressed up like a bee

Acordes

Remind me of the time
 How it's gone and it's gone and it's gone
 It's sadness every day that passes without you
 And I really wanna really wanna really wanna hold you both tight
 And tell you you're mine but instead I sing
 Chorus

A D G C
 Mary Kate and Ashley I hope you understand
 A D G C
 That I love you a lot and I wanna be your man
 A D
 And I think
 G C A D
 That it'd be totally cool if I hung around your apartments
 G C
 And enrolled in your school

Complete Demo's only

 Mary Kate and Ashley I hope you understand
 A D G C
 That I love you a lot and I wanna be your man
