

# Talos - See Me

G

tom:

(C Am G )

Some days I wake up  
And I just want you all around me  
Some nights I call out  
What if the life in you lost me?  
The weight of the world feels  
The weight of the world, it feels heartless  
Forever we fade out  
'Cause I'm too afraid to be honest  
(Am G F )  
Why am I so cynical?  
Lifelines are difficult  
For me

(C Am F G C )

In my whole life  
There's silence where I stood  
I found you in the lone light  
Never knew it felt this good  
Won't you teach me how to see  
The way you see me?

(C Am G )

Alive in the snowed pines  
The fire is waiting around me  
Your freedom is all mine

The deep and the dark are aligning

(Am G F )

Why am I so cynical?  
Lifelines are difficult

(C Am F G C )

In my whole life  
There's silence where I stood  
I found you in the lone light  
Never knew it felt this good  
Won't you teach me how to see  
The way you see me?

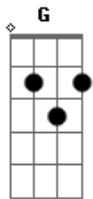

(C Am F G C )

(C Am F G C )  
Wake up in the worn night  
I fill you with a love then a silence  
I was in the cold tide  
See you when the sight is burning down  
Hold me near and I will steal  
The solid ground

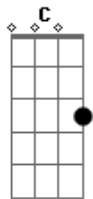

(C Am F G C )

In my whole life  
There's silence where I stood  
I found you in the lone light  
Never knew it felt this good  
Won't you teach me how to see  
The way you see me?
