

Talos - To Each His Own

tom: Intro: G Bm A G Bm A Is that where we're at? Bm If we reach up as the waters climb in us Bm A The hardest parts Bm Blind to reason, lose the sight of what's to come Below or what's above Falling away, keep all that Sun below Bm Seen all your hype And oh Why'd you spend your time leading the chorus When the war was just waiting before us? As if you didn't know You ignored all the darkest of warnings Found our end in the silence of morning It fell beneath the cold I'll take the desert, you take the coast
