

Tame Impala - Borderline

```
Starting to sober up
              tom:
Intro: Dm D2 D A C Bb
Dm D2 D A C Bb
                                                          Has it been long enough?
                                                          Dm A CWill I be so in love?
         D2
                                                          Any closer? Close enough
Om Gone a little far
                                                          Dm C Bb
                                                          Shout out to what is done
Gone a little far this time with something
                                                          R.i.p., here comes the sun
Dm D2
How was I to know?
                                                          (Here comes the sun)
                    С
                                                          Dm D2
How?was?i to know?this high came rushing?
                                                          Gone a little far
                                                          Gone a little far this time with something
We're on the?borderline
                                                          Dm D2
                                                          Rudi said it's fine
D A C
                                                                                 С
Dangerously fine and unforgiving
Dm D2
                                                          They used to do this all the time in college (If you and I get
Possibly a sign
                                                          comfortable)
D A
                                                          --I'm aware--
                   C
I'm gonna have the strangest night on Sunday
                                                                   D2
                                                          And we're on the borderline (Ooh)
                                                          D A
     D
                                                          Caught between the tides of pain and rapture
D2
Here I go
                                                          Dm D2
                                                          Then I saw the time
Quite a show for a loner in L.A
                                                          Watched it speedin' by like a train
Dm ? D2 D A
I wonder how I managed to end up in this place
Where I couldn't get away
                                                          Will I be known and loved?
                                                          Is there one that I trust?
We're on the borderline (Ooh)
                                                          Dm C Bb
                                                          Starting to sober up
Caught between the tides of pain and rapture
Dm D2
                                                          Has it been long enough?
Then I saw the time
                                                          Will I be known and loved?
          Α
Watched it speedin' by like a train
                                                          Little closer, close enough
Like a train
                                                          Dm C
                                                          I'm a loser, loosen up
               C
                                                            G
Will I be known and loved?
                                                          Setting free, must be tough
                                                          Will I be known and loved?
Is there one that I trust?
Dm C Bb
Starting to sober up
                                                          Is there one that I trust?
                                                          Dm C Bb
Has it been long enough?
                                                          Starting to sober up
Will I be known and loved?
                                                          Has it been long enough?
                                                          Dm A C
Will I be so in love?
Little closer, close enough
Dm C
I'm a loser, loosen up
                                                          Any closer? Close enough
                                                          Dm C Bb
 G
Setting free, must be tough
                                                          Shout out to what is done
Will I be known and loved?
                                                          R.i.p., here comes the sun
Is there one that I trust?
                                                          (Here comes the sun)
