

Tame Impala - Dracula

```
Isn't the view spectacular? (Sun like Dracula)
                tom:
                Ebm (forma dos acordes no tom de Bm )
Capostraste na 4º casa
                                                                              G
                                                                Ooh-oh-oh, oh-oh-oh
\verb"Ooh-oh-oh-oh", oh-oh-oh-oh"
                                                                Oh-oh-oh, oh-oh-oh
              G
Oh-oh-oh, oh-oh-oh
                                                                ( Gbm G Gbm G )
                                                                (Gbm G Gb G)
( Gbm G Gbm G )
( Gbm G Gb G )
                                                                The morning light is turning blue
The morning light is turning blue
                                                                The feeling is bizarre (bizarre)
The feeling is bizarre (bizarre)
                                                                The night is almost over, I still don't know where you are
The night is almost over, I still don't know where you are
                                                                The shadows, yeah, they keep me pretty
The shadows, yeah, they keep me pretty A Dbm
                                                                Like a movie star (ha-ha-ha-ha)
                                                                Daylight makes me feel like Dracula (Dracula)
Like a movie star (ha-ha-ha)
Daylight makes me feel like Dracula (Dracula)
                                                                In the end, I hope it's you and me
In the end, I hope it's you and me
                                                                In the darkness, I would never leave (ah)
In the darkness, I would never leave (ah)
                                                                You won't ever see me in the light of day
                                                                   Gb
                                                                                 G
You won't ever see me in the light of day
                                                                It's far too late, the time has come
It's far too late, the time has come
                                                                I'm on the verge of caving in, I run back through the dark
I'm on the verge of caving in, I run back through the dark
                                                                Now I'm mister charisma, fuckin' Pablo Escobar (escobar)
Now I'm mister charisma, fuckin' Pablo Escobar (escobar)
                                                                My friends are saying: Shut up
My friends are saying: Shut up
                                                                Kevin, just get in the car (Kevin)
Kevin, just get in the car (Kevin)
                                                                I just wanna be right where you are (oh, my love)
I just wanna be right where you are (oh, my love)
                                                                In the end, I hope it's you and me
In the end, I hope it's you and me
                                                                In the darkness, I would never leave (I won't leave her)
In the darkness, I would never leave (I won't leave her)
                                                                We both saw this moment comin' from afar
                                                                   Gb
                      G
We both saw this moment comin' from afar
                                                                Now here we are
   Gb
Now here we are
                                                                Run from the Sun like Dracula (hey)
             Gbm
Run from the Sun like Dracula (hey)
                                                                Run from the Sun like Dracula (Dracu-Dracula)
                                                                                           Gbm
Run from the Sun like Dracula (Dracu-Dracula)
                                                                Run from the Sun like Dracula (run from the Sun)
                           Gbm
                                                                Isn't the view spectacular?
Run from the Sun like Dracula (run from the Sun)
