

Tame Impala - Feels Like We Only Go Backwards

Tom: Bb
Intro: Gm

It feels like I only go backwards, baby
Every part of me says go ahead
I got my hopes up again, oh no not again
Feels like we only go backwards darlin'

I know that you think you sound silly when you call my name
But I hear it inside my head all day
when I realize I'm just holding on to the hope that maybe
Your feelings don't show
It feels like I only go backwards, baby
Every part of me says go ahead

I got my hopes up again, oh no not again
It feels like we only go backwards darlin'

The seed of all this indecision isn't me, oh no

Cause I decided long ago

but that's the way it seems to go when trying so hard to get to something real

It feels

3x

It feels like I only go backwards, darlin'
Every part of me says go ahead
I got my hopes up again, oh no not again
Feels like we only go backwards darlin'
