Am  
I wanted her  
Am  
I wanted her

( Am , D )  
But she doesn't like the life that I lead,  
She doesn't like the life that I lead  
Doesn't like sand stuck on her feet.  
Or sitting around smoking weed,  
I must seem more like a friend in need.

C D  
And I boast that it is meant to be,  
F G F  
but in all honesty,  
G D Em F  
I don't have a hope in hell,  
F G F G D Em F

I'm happy just to watch her move.

F G F  
but in all honesty,  
G D Em F  
I don't have a hope in hell,  
F G F G D Em F  
I'm happy just to watch her move.

( Am , D )

And she doesn't like the  
friends that I make, doesn't  
make friends for friendship's sake.  
she just gets bored sitting by the lake,  
her soul won't surface and her  
heart won't ache.

C D  
And I boast that it is meant to be,  
F G F  
but in all honesty,  
G D Em F  
I don't have a hope in hell,  
F G F G D Em F  
I'm happy just to watch her move.  
F G F  
but in all honesty,  
G D Em F  
I don't have a hope in hell,  
F G F G D Em F  
I'm happy just to watch her move.
