

# Tame Impala - Mind Mischief

Tom: **Gb**

(com acordes na forma de **F** )  
Capostrate na 1ª casa

**Gm** **F**  
Feels like my life is ready to blow  
**Gm** **F**  
Me and my love we'll take it slow  
**Gm** **F**  
I hope she knows that I'll love her long  
**Gm** **F**  
I just don't know where the hell I belong

**Dm** **C**  
How optimism led me astray  
**Dm** **C**  
Two hundred things I took the wrong way  
**Dm** **C**  
But I saw her love gauge running low  
**Dm** **C**  
I tried to fill but it overflowed

**Gm** **F**  
Feels like my life is ready to blow  
**Gm** **F**  
Me and my love we'll take it slow  
**Gm** **F**  
I hope she knows that I'll love her long  
**Gm** **F**  
I just don't know where the hell I belong

Solo:

**Gm** **F**  
She remembers my name

**Gm** **F**  
Could be blown way out  
**Gm** **F**  
It's all going to change  
**Gm** **F**  
She remembers my name  
**Dm** **C** **Dm** **C**  
But she was only messing around  
**Dm** **C** **Dm** **C**  
Please, no more playing with my heart  
**Dm** **C** **Dm** **C**  
Ooooh, go with mr. Right just for once!  
**Dm** **C** **Dm** **C**  
Ooooh, no more mischief with my mind  
(Then it all just came out / Guess I'll hold it in next time)

**Gm** **F**  
No more getting it wrong  
**Gm** **F**  
I'll be frozen here on  
**Gm** **F**  
If forever we'll see  
**Gm** **F**  
But no more guessing for me

( **Cm7** )

**Dm** **C** **Dm** **C**  
Ooooh, I was just so sure of everything  
**Dm** **C** **Dm** **C**  
Ooooh, that's what you get for dreaming aloud  
**Dm** **C**  
Then it all just came out  
**Dm** **C**  
Guess I'll hold it now on  
**Dm** **C** **Dm** **C**  
Ooooh, the day that words are clearer to me  
(If forever we'll see / But no more guessing for me)

## Acordes
