Two hundred things I took the wrong way

I tried to fill but it overflowed

Me and my love we'll take it slow
Gm **F**
I hope she knows that I'll love her long
Gm **F**
I just don't know where the hell I belong

I'll be frozen here on

If forever we'll see

But no more guessing for me

Guess I'll hold it now on

Ooooh, the day that words are clearer to me
(If forever we'll see / But no more guessing for me)
