Intro: Gm D F Cm
 Gm D F Eb7M
Ever since I was a small boy
                                  Fb7M
No one else compared to you, no way
I always?thought?heroes stay close
             F Bb Eb7M
Whenever?troubled times arose
I didn't know
                Dm Eb
Ain't always?how it goes
Every single word you told me
                 D
     Gm
I believed without a question, always
          D
                   F
To save all of us, you told us both to trust
                     Bb
But now I know you only saved yourself
Did you think I'd never know?
                Dm
Never wise up as I grow?
(Gm D F Eb7M)
( Gm D F Cm )
( Gm F Bb Eb7M )
       And you could store an ocean in the holes
In any of the explanations that you gave
And while you still had time, you had a chance
 Gm F Bb
But you decided to take all your sorries to the grave
Did you think I'd never know?
Never wise up as I grow?
Did you hope I'd never doubt?
Never wonder, work it out?
(D Cm F D Cm F)
(D Cm F D Cm F)
(D Cm F D Dm Eb)
( C Em Bm7 Em )
( C Em Bm7 Em )
You were runnin' for cover
Doin' like any other
```

```
Fallin' out with a lover
You didn't know that I suffered
What a thing to discover
There was time to recover
One-on-one with each other
Just a boy and a father
What I'd give for another
Everything that I have
Wouldn't need this for long
Never speak of the time
That you left us alone
Me and Steve on our own
I wanna tell you 'bout the time
Wanna tell you 'bout my life
Wanna play you all my songs
Learn the words, sing along
( C Em Bm7 Em )
( C Em Bm7 Em )
(This time) Wanna tell you 'bout the time
        Bm7
(I know) I was in Abbey Road
Or the time that I had
Mick Jagger on the phone
I thought of you when we spoke
Wanna tell you 'bout the time
Wanna tell you 'bout my life
Wanna play you all my songs
Hear your voice sing along
(This time) I wanna say, "It's all right"
        Bm7
(I know) You're just a man after all
And I know you have demons
I got some of my own
I think you passed them along
Wanna tell you 'bout the time
Wanna tell you 'bout my life
Wanna play you all my songs
And hear your voice sing along
