                                                                                                                                                                                                                                                                                                                 D
                                                                                                                                                                                                                                                                                                                                                                                                                                 A Bm
                                                                                                                                                                                                                                                                                  Just don't make me wait forever"
                                                                                                                                                                                                                                                                                                      D
                                                                                                                                                                                                                                                                                 Don't make me wait forever
Someone said they left together
                                                                                                                                                                                                                                                                                                        D
I ran out the door to get her % \left( 1\right) =\left( 1\right) \left( 1\right) \left(
                                                                                                                                                                                                                                                                                 Don't make me wait forever
She was holding hands with Trevor
                                                                                                                                                                                                                                                                                  Oh my love, can't you see yourself by my side?
                          D
Not the greatest feeling ever
                                                                                                                                                                                                                                                                                 Don't suppose you could convince your lover to change his mind
I said "Pull yourself together A D
                                                                                                                                                                                                                                                                                                                                                                              Gbm
                                                                                                                                                                                                                                                                                 I was doing fine without you
You should try your luck with Heather"
                                                                                                                                                                                                                                                                                 Till I saw your face, now I can't erase
Then I thought they slept together
                                                                                                                                                                                                                                                                                 Giving in to all his bullshit
Oh, the less I know the better
                                                                                                                                                                                                                                                                                                                                                                                    G
                                                                                                                                                                                                                                                                                  Is this what you want, is this who you are?
The less I know the better
                                                                                                                                                                                                                                                                                 I was doing fine without you
                                                                                                                                                                                                                                                                                                                                                                      G
Oh my love, can't you see yourself by my side?
                                                                                                                                                                                                                                                                                 Till I saw your eyes turn away from mine
                                                                                                                                              Bm
                                                                                                                                                                                                                                                                                                                                                                                                    Gbm
No surprise, when you're on his shoulder like every night
                                                                                                                                                                                                                                                                                 Oh sweet talking where he wants you
                                                                                   Bm
Oh my love, can't you see that you're on my mind?
                                                                                                                                                                                                                                                                                  Said "Come on Superman, say your stupid line"
                                                                                                                                                                                                                                                                                                                 Bm
