Someone said they left together
I ran out the door to get her
She was holding hands with Trevor
Not the greatest feeling ever
I said pull yourself together
You should try your luck with Heather
Then I thought they slept together
Oh, the less I know the better
The less I know the better
Oh my love, can't you see yourself by my side?
No surprise, when you're on his shoulder like every night
Oh my love, can't you see that you're on my mind?
Don't suppose we could convince your lover to change his mind

So goodbye

She said it's not now or never
Wait ten years, we'll be together
I said better late than never
Just don't make me wait forever
Don't make me wait forever
Don't make me wait forever
Oh my love, can't you see yourself by my side?
Don't suppose you could convince your lover to change his mind
I was doing fine without you
Till I saw your face, now I can't erase
Giving in to all his bullshit
Is this what you want, is this who you are?
I was doing fine without you
Till I saw your eyes turn away from mine
Oh sweet talking where he wants you
Said come on Superman, say your stupid line
Said come on Superman, say your stupid line
Said come on Superman, say your stupid line
