Someone said they left together
 I ran out the door to get her
 She was holding hands with Trevor
 Not the greatest feeling ever
 I said pull yourself together
 You should try your luck with Heather
 Then I thought they slept together
 Oh, the less I know the better
 The less I know the better

Oh my love, can't you see yourself by my side?
 No surprise, when you're on his shoulder like every night
 Oh my love, can't you see that you're on my mind?
 Don't suppose we could convince your lover to change his mind

So goodbye

She said it's not now or never
 Wait ten years, we'll be together
 I said better late than never
 Just don't make me wait forever
 Don't make me wait forever
 Don't make me wait forever

Oh my love, can't you see yourself by my side?
 Don't suppose you could convince your lover to change his mind
 I was doing fine without you
 Till I saw your face, now I can't erase
 Giving in to all his bullshit
 Is this what you want, is this who you are?
 I was doing fine without you
 Till I saw your eyes turn away from mine
 Oh sweet talking where he wants you
 Said come on Superman, say your stupid line
 Said come on Superman, say your stupid line
 Said come on Superman, say your stupid line
