'Cause they've watched him

Washing his face near the pond

Where he came from

Still I feel, as if I'm a walking machine  
**G**  
Watching it all through a screen  
**E** **Dm**  
There is nothing in between to me  
**Am**  
This might as well not be real?

Oh oh oh oh oh no hm hm hm  
**E** **Dm**  
Oh oh oh oh hm hm hm hm

[Terceira Parte]

**Am** **G**  
Imagine, the girls take him up on a hill  
**Em**  
It's an Indigo night, there's a chill

## Acordes

**Dm** **Am**  
The boy is confused but he's still  
**G**  
As they gather around him  
**E**  
So many of them, they all sing  
**Dm**  
About the pleasures of life  
[Quarta Parte]

**Am** **Dm** **G**  
Oh oh oh oh oh no hm hm hm  
**E** **Dm**  
Oh oh oh oh hm hm hm hm

[Final]

**Am** **G**  
Now something happened there  
**E**  
The smell of the grass, or maybe the air  
**Dm**  
There was no more despair  
**Am** **G**  
Just something about that night  
**E**  
Maybe the girls, they lit some light  
**Dm**  
And made everything right  
**F**  
'Cause he's never been  
**E** **Am**  
More alive
