

# Tanerêlle - Mama Saturn

tom:

Intro: **Gbm7** **E** **A** **Bm7**

[Primeira Parte]

**Gbm7**  
Tell me all your names, baby  
**E**  
Tell me all your names, I need to know **Bm7**

Then I'll tell you mine, baby

Then I'll tell you mine and we can go **Gbm7**

To past the time

**E**  
Shift paradigms

**Bm7**  
Align our bodies with the sky

'Til I am yours and you are mine

**Gbm7**  
I'd do anything for you  
**E**  
Yeah, I'd do anything for you

**Bm**  
Baby, just say the word  
**Bm7**  
And we make perfect sense

**E**  
God could not resist no  
**Gbm7**  
I can feel the urge

To drop defense

**E** **A**  
At my expense  
**D** **Bm7**  
Allow my body to ascend

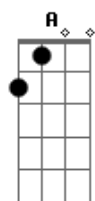

**E**  
Along with yours

Let love commence

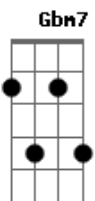

[Refrão]

**Gbm7**  
Close my eyes, embrace my matter  
**E** **Bm** **Bm7**  
Swing my hips as if they bear the rings of Mama Saturn  
**E** **Gbm7** **E**  
Stretch my vertebrae so we can climb it like a ladder  
**A** **Bm** **Bm7**  
And step into our world  
**Gbm7**  
Close my eyes, embrace my matter  
**E** **Bm** **Bm7**

Swing my hips as if they bear the rings of Mama Saturn  
**E** **Gbm7** **E**  
Stretch my vertebrae so we can climb it like a ladder  
**A** **Bm** **Bm7**  
And step into our world

[Segunda Parte]

**Gbm7**  
We do not exist, no  
**E** **D**  
We do not exist and yet we're real  
**Bm7**  
I try to reminisce so  
**E** **Gbm7**  
I try to reminisce so I can feel

So I can sail  
**E** **A**  
Through parallels  
**D** **Bm7**  
So I can leave and then resurface

**E**  
On a dot that's blue and pale  
**Gbm7**  
If we can let this thing flow

**E**  
Take care of our needs so

We can let our leaves grow  
**Dm** **Bm7**  
Feed it to the people

**E**  
Then we as a people  
**Gbm7**  
Say goodbye to ego

**E** **A**  
That's where love evolves into unknowns  
**D** **Bm7** **Bm**  
And infinities we never thought it'd go
