

Tanner Usrey - Make It Out Alive

tom:
 Oh my darling, tell me you love me
 That you'll never walk away
 'Cause you know I love you with a burning fire
 And I'll love you 'til my dying day
 When the times get hard and the road get rough
 I know with you, I'll have enough
 When the storm gets dark and the lights go out
 Take my hand and hold on tight
 I know we will make it out alive

[Verse 2 - Jessi England]

Oh my love, my sweetest friend
 My love for you, it knows no end
 It will not falter, it will not fail
 I'll follow you down any trail

[Verse 3 - Tanner and Jessi]

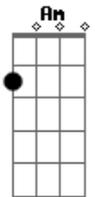

When the winter is cold, I'll be your fire

Wrap you up, with a burning desire
 The wind it howls, no end in sight
 Take my hand, and hold on tight
 I know we will make it out alive
 [Verse 4 - Tanner and Jessi]
 And when we're older and our hair turns gray
 I know there will come a day
 When our lives are over
 And we have to leave
 I'll follow you into eternity

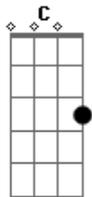

[Verse 5 - Tanner and Jessi]

And as we cross over, to the other side
 I know with you it'll be alright
 'Cause when we're gone and our families cry
 You'll take my hand and hold on tight
 I know we won't make it out alive
 'Cause no one ever makes it out alive
