[Primeira Parte]

G Am Em C
Some days, I wonder why the sky's so grey
G Am Em C
Some days, I wonder if I'm on the same page

[Pré-Refrão]

G Am
Oh all these voices and noises and all these bad choices

G Am
And all the people so careless who I can't confront yet
Em C
Cause you know, I'll just get in the way

[Refrão]

G Am Em C
So at 3am I go to the roof and I talk back to the moon
G Am Em C
Oh at 3am I look up to the sky and always wonder why

G Am Em
I'm not like anyone else, else
G Am Em
Not like anyone else, else
C
But I'll never change myself

[Segunda Parte]

Em C
Cause you know, I'll just get in the way
