                 G
           C                    Em
I been singin', I been screamin'
                 G
I been goin' all night till my
           Bm
Throat's bleedin' (throat's bleedin')
         C               Em
I been cryin', I been dreamin'
                                G
Yeah, I know that you look, but
              Bm
You don't see it (but you don't see it)

          C               Em                   G     Bm
Did my purple laced bra catch your attention? Uh
           C            Em              G     Bm
Yeah, the look in your eye made me question

C                                       G
Would you hear me more if I whispered in your ear?
      Em                           Bm
Made all my inner thoughts sound like: Ah, ah
C                       G
Would you hear me more if I touch you right here?
      Em                       Bm              C
Made everything I want sound like: Ah, ah (oh-oh)
             G                          Em
Would you (ah) hear me (hear me) (hear me)?
                  Bm                           C
Would you (would you) hear me (hear me) (hear me, ah)?
                  G
Would you (would you) hear me (hear me)?
   Em                           Bm
If all my inner thoughts sound like: Ah, ah

I could take it off for you and
Em                     G     Bm
Tell you what I'm going through, mm
          C                    Em
'Cause my body positionin' determines if
        G                                  Bm
You're listenin' (if you're listenin'), oh-oh

          C               Em              G     Bm
Did my dance on your lap peak your interest? Yeah
          C            Em           G    Bm
Now I got you like that, let me finish

C                                       G
Would you hear me more if I whispered in your ear?

If all my inner thoughts sound like

C          Em                  G
I'm losin' my mind, I'm losin' my head
         Bm                  C
You only listen when I'm undressed
              Em              G     Bm
Hear what you like and none of the rest, 'est (oh-oh-oh) (ah)
C          Em                  G
I'm losin' my mind 'cause givin' you head's
         Bm                    C
The only time you think I got depth
              Em              G     Bm
Hear what you like and none of the rest

C                                       G
Would you hear me more if I whispered in your ear?
      Em                           Bm
Made all my inner thoughts sound like: Ah, ah
C                       G
Would you hear me more if I touch you right here?
      Em                       Bm
Made everything I want sound like

C                                       G
Would you hear me more if I whispered in your ear (in your
ear)?
      Em                           Bm
Made all my inner thoughts sound like: Ah, ah (hear me out)
C                       G
Would you hear me more if I touch you right here?
      Em                       Bm              C
Made everything I want sound like: Ah, ah (oh-oh)
             G                          Em
Would you (would you) hear me? (Would you hear?)
          Bm                           C
Would you hear me, hear me? (Hear me, baby)
                  G
Would you (would you) hear me?
   Em                           Bm
If all my inner thoughts sound like: Ah, ah
