tom:

G

[Primeira Parte]

Only think about him on the weekdays and weekends

Only in the mornings and evenings

Only when I wake up and sleep in

Oh my God

Should have read the warning on the label, I don't

Say proceed with caution, but I won't

Guess I do it often, I know I'm already gone

[Pré-Refrão]

I'd go to hell and back if I could go there with you

What do I do

[Refrão]

Oh my God, I'm a fool

Keep on coming back to you

I'm so stupid for you

I'm so stupid for you

You're so bad for my health

But I just can't help myself

I'm so stupid for you

I'm so stupid for you

[Segunda Parte]

Wish I didn't have it, so bad, it's

'Cause all of them are you

And the bad things that you do

Oh I wonder how you do it

Make me feel stupid

Try to fight it off but it's useless

I'm so foolish, fooling around with you

[Pré-Refrão]

I'd go to hell and back if I could go there with you

What do I do

[Refrão]

Oh my God, I'm a fool

Keep on coming back to you

I'm so stupid for you

I'm so stupid for you

You're so bad for my health

But I just can't help myself

I'm so stupid for you

I'm so stupid for you

I'm so stupid for you

For you, for you

I'm so stupid for you

For you, for you

Oh my God, I'm a fool

Keep on coming back to you

I'm so stupid for you
