Hey, guess we haven't talked in awhile

Bet you don't even remember
Bm D A
Guess that's what happens with you

All my friends, they warned me you were no good

G Bm
Be the player that plays with the games in our heads
D A
The faker that makes you do things you'll regret
G Bm
The player, player
D A
The player, player
G Bm
The person that leads you to think that they're real
D A
Leadin' you on to control how you feel
G Bm
To break her, break her

Like the player you are
[Segunda Parte]

G Bm D
Did you actually think that I'd care enough
A G
To spend all my hours thinkin' of us?
Bm D A
Oh, boy, you've got it all wrong
G Bm D
Just wanted to let you know I'm fed up
A G
With all the 3 A.M. talks 'cause
Bm D A
They dragged on for way too long
[Pré-Refrão]

G Bm D A
All my friends, they warned me you were no good
