You said you'd never lie
But you did it anyway
So how am I supposed to feel when
You said: It's so real, to my face?
And you said you'd make a promise
But a promise never stays
So how am I supposed to act when
It's just how it is nowadays?
And I swear, we kinda fell in love with the pain
And I'm scared we don't even know the right way
Wish I loved you in the 90s
'Cause I know that we would work
Say wrong place, wrong time
Should've been alive
Bet it wouldn't hurt
If I had loved you in the 90s
Back when life wasn't a blur
Say right guy, right vibe
Wouldn't have to try
Bet it wouldn't hurt
If I had loved you in the 90s
If I had lov?d you in the 90s

What happened to th? guy picking up the girl?

And now you speed down the highway
And don't care to say a word
And my head is kinda dreamy
I imagine it with you
I'm alone, record on
Lookin' at this guy like '92, oh-oh-oooh
And I swear, we kinda fell in love with the pain
And I'm scared we don't even know the right way
Wish I loved you in the 90s
'Cause I know that we would work
Say wrong place, wrong time
Should've been alive
Bet it wouldn't hurt
If I had loved you in the 90s
Back when life wasn't a blur
Say right guy, right vibe
Wouldn't have to try
Bet it wouldn't hurt
If I had loved you in the 90s
If I had loved you in the 90s
Wish I loved you in the 90s
'Cause I know that we would work
Say wrong place, wrong time
Bet it wouldn't hurt
