

t.A.T.u - Clowns (Can You See Me Now?)

Tom: **Bb**

(**Cm** - **Ab** - **Eb** - **Bb**)

Can you see me now? Can you see me now? Can you see?

(**Cm** - **Ab** - **Eb** - **Bb**)

All this weeping in the air,
Who can tell where it will fall?
Through floating forests in the air
'cross the rolling open sea

(**Cm** - **Ab** - **Eb** - **Bb**)

Blow a kiss, I run through air
Leave the past, find nowhere
Floating forests in the air
Clowns all around you.

(**Cm** - **Ab** - **Eb** - **Bb**)

Clowns that only let you know
Where you let your senses go.
Clowns all around you
It's a cross I need to bear

(**Cm** - **Ab** - **Eb** - **Bb**)

All this black and cruel despair
This is an emergency
Don't you hide your eyes from me
Open them and see me now

(**Cm** - **Ab** - **Eb** - **Bb**)

Can you see me now? Can you see me now?

(**Cm** - **Ab** - **Eb** - **Bb**)

Can you see? Can you see?
See me here in the air
Not holding onto anywhere
But holding on so beware
I have secrets I won't share

(**Cm** - **Ab** - **Eb** - **Bb**)

See me here pushing you
If I then deny I do
Contemplate or wish away
If I ask you not to stay

(**Cm** - **Ab** - **Eb** - **Bb**)

Clowns that only let you know
Where you let your senses go
Clowns all around you
It's a cross I need to bear

(**Cm** - **Ab** - **Eb** - **Bb**)

All this black and cruel despair
This is an emergency
Don't you hide your eyes from me
Open them and see me now
