

t.A.T.u - Clowns (Can You See Me Now?)

Tom: **Bb**

(**Cm** - **Ab** - **Eb** - **Bb**)
 Can you see me now? Can you see me now? Can you see?

(**Cm** - **Ab** - **Eb** - **Bb**)
 All this weeping in the air,
 Who can tell where it will fall?
 Through floating forests in the air
 'cross the rolling open sea

(**Cm** - **Ab** - **Eb** - **Bb**)
 Blow a kiss, I run through air
 Leave the past, find nowhere
 Floating forests in the air
 Clowns all around you.

(**Cm** - **Ab** - **Eb** - **Bb**)
 Clowns that only let you know
 Where you let your senses go.
 Clowns all around you
 It's a cross I need to bear

(**Cm** - **Ab** - **Eb** - **Bb**)
 All this black and cruel despair
 This is an emergency
 Don't you hide your eyes from me
 Open them and see me now

(**Cm** - **Ab** - **Eb** - **Bb**)
 Can you see? Can you see?
 See me here in the air
 Not holding onto anywhere
 But holding on so beware
 I have secrets I won't share

(**Cm** - **Ab** - **Eb** - **Bb**)
 See me here pushing you
 If I then deny I do
 Contemplate or wish away
 If I ask you not to stay

(**Cm** - **Ab** - **Eb** - **Bb**)
 Clowns that only let you know
 Where you let your senses go
 Clowns all around you
 It's a cross I need to bear

(**Cm** - **Ab** - **Eb** - **Bb**)
 All this black and cruel despair
 This is an emergency
 Don't you hide your eyes from me
 Open them and see me now
