

# t.A.T.u - Clowns (Can You See Me Now?)

Tom: Bb

( Cm - Ab - Eb - Bb )  
 Can you see me now? Can you see me now? Can you see?

( Cm - Ab - Eb - Bb )  
 All this weeping in the air,  
 Who can tell where it will fall?  
 Through floating forests in the air  
 'cross the rolling open sea

( Cm - Ab - Eb - Bb )  
 Blow a kiss, I run through air  
 Leave the past, find nowhere  
 Floating forests in the air  
 Clowns all around you.

( Cm - Ab - Eb - Bb )  
 Clowns that only let you know  
 Where you let your senses go.  
 Clowns all around you  
 It's a cross I need to bear

( Cm - Ab - Eb - Bb )  
 All this black and cruel despair  
 This is an emergency  
 Don't you hide your eyes from me  
 Open them and see me now

( Cm - Ab - Eb - Bb )  
 Can you see me now? Can you see me now?  
 Can you see? Can you see?  
 See me here in the air  
 Not holding onto anywhere  
 But holding on so beware  
 I have secrets I won't share

( Cm - Ab - Eb - Bb )  
 See me here pushing you  
 If I then deny I do  
 Contemplate or wish away  
 If I ask you not to stay

( Cm - Ab - Eb - Bb )  
 Clowns that only let you know  
 Where you let your senses go  
 Clowns all around you  
 It's a cross I need to bear

( Cm - Ab - Eb - Bb )  
 All this black and cruel despair  
 This is an emergency  
 Don't you hide your eyes from me  
 Open them and see me now
