

t.A.T.u - Clowns (Can You See Me Now?)

Tom: Bb

(Cm - Ab - Eb - Bb)
 Can you see me now? Can you see me now? Can you see?

(Cm - Ab - Eb - Bb)
 All this weeping in the air,
 Who can tell where it will fall?
 Through floating forests in the air
 'cross the rolling open sea

(Cm - Ab - Eb - Bb)
 Blow a kiss, I run through air
 Leave the past, find nowhere
 Floating forests in the air
 Clowns all around you.

(Cm - Ab - Eb - Bb)
 Clowns that only let you know
 Where you let your senses go.
 Clowns all around you
 It's a cross I need to bear

(Cm - Ab - Eb - Bb)
 All this black and cruel despair
 This is an emergency
 Don't you hide your eyes from me
 Open them and see me now

(Cm - Ab - Eb - Bb)
 Can you see me now? Can you see me now?
 Can you see? Can you see?
 See me here in the air
 Not holding onto anywhere
 But holding on so beware
 I have secrets I won't share

(Cm - Ab - Eb - Bb)
 See me here pushing you
 If I then deny I do
 Contemplate or wish away
 If I ask you not to stay

(Cm - Ab - Eb - Bb)
 Clowns that only let you know
 Where you let your senses go
 Clowns all around you
 It's a cross I need to bear

(Cm - Ab - Eb - Bb)
 All this black and cruel despair
 This is an emergency
 Don't you hide your eyes from me
 Open them and see me now
